Renewed petition under Title 37, Code of Federal Rules 1.48.

Mail Stop: Office of Petitions  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Madam/Sir:

We file this petition under Title 37, Code of Federal Rules § 1.48, to correct the inventorship. Note that we are no longer requesting a petition under 37 CFR 1.47 and 1.183, because we have been able to communicate with the third inventor who previously had not signed the declaration, but now he has.

Attachments

New declaration with all three inventors.

Statement as to lack of deceptive intent by inventor who was added.

Applicant seek to meet the requirements of a petition to add an inventor under 37 CFR 1.48 (a). The five requirements are each presented.

Request to add an inventor. 37 CFR §1.48 (a)(1).

We wish to add one inventor whose name is Leslie L. Briley Jr. Previously we could not reach him, but now we have. I paid for a search service, and was able to locate him.

Error in inventorship occurred without lack of deceptive intent. 37 CFR §1.48 (a)(2).

Attached is a signed statement from the individual added, Mr. Leslie L. Briley Jr., that the error occurred without deceptive intention on his part.

Oath by all inventor under 37 CFR 1.48 (a)(3).

A new oath signed by all inventors is attached.

Processing fee. 37 CFR §1.48 (a)(4).

We previously paid the fee of \$130, check #204, cashed on May 8, 2006.

This is the amount required under 37CFR 1.17(h) to petition under §1.48.

Consent of the assignee. 37 CFR §1.48 (a)(5).

As President of Puregress Inc., the assignee of the invention, I grant consent to add Mr. Leslie L. Briley Jr. as an inventor. Mr. Leslie L. Briley, and both other inventors, assigned their interest in the patent to Puregress Inc., as is reflected on the cover sheet of the parent patent and is in the file history.

The patent has been allowed, but not yet issued

The application 10/762,191 has been allowed by the examiner, but it has not yet issued. We wish to correct the inventorship before the patent issues.

If it is believed that a telephone conversation with pro se applicants/assignees would be helpful in expediting the petition, the office is invited to call the undersigned during PST business hours at (650) 641 3019, or e—mail at [adglew@glewengineering.com](mailto:adglew@glewengineering.com)

## I hereby declare that:

Each inventor's residence, mailing address, and citizenship are as stated below next to their name.

I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

(Title of the Invention)

the specification of which

☐ is attached hereto

OR

☒ was filed on (MM/DD/YYYY) 01/20/2004 as United States Application Number or PCT International

Application Number and was amended on (MM/DD/YYYY) (if applicable).

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.

Prior Foreign Application Number(s)	Country	Foreign Filing Date (MM/DD/YYYY)	Priority Not Claimed	Certified Copy Attached?	
				YES	NO

<b>WARNING:</b> Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO 2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.			
I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
